Here's a cold hard fact – your vacation in Omiš simply cannot be considered complete if you miss the chance to hear some truly fascinating stories that these centuries old streets have written all over them.

Of course, visiting beaches and enjoying beautiful nature is probably the first thing you should do when in Omiš, but it would be a huge mistake if that is the only thing you do while in town with such an incredible culture and history.

Don't make that mistake and join us on free sight-seeing tours with certified local guides every Tuesday and Thursday. On your tour you will experience a completely different perspective of Omiš, with many hidden locations, stories and secrets you never knew existed being revealed right before your eyes.

The mountain, the river and the sea. Those are the things most people first notice when they visit Omiš. But what if we told you there was one more thing that makes Omiš so very special? It's the town's hinterland – the beautiful Poljica.

Now, we really don't want to give away any spoilers about the Poljica region's incredible history: the great dukes, violent history and a very special heroic maiden of Poljica. Sounds interesting?

Learn all about it on our free sightseeing tours with certified local guides every Monday at 6 PM.
