

ICE CREAM A CAPPELLA NIGHTS

Let traditional a cappella singers melt your heart!

— THURSDAYS, 8 PM

The first few notes you hear sung on the streets of Omiš will reveal why traditional 'klapa' music is listed as UNESCO Intangible Cultural Heritage of Humanity. This unique evening experience is not to be missed. Locations will vary, but you are sure to find our favorite traditional singers within the familiar streets of the city center, each Thursday.

AFTER BEACH HISTORY

Leave your towels behind & hop into Omiš heritage!

— TUESDAYS, 7 PM

Late Omiš afternoons are best when exploring the Historical Museum of Poljica in the company of our costumed guide, embodying the local heroine Mila Gojsalić. This is the perfect opportunity to learn about the powerful story behind her legend, as well as the fascinating autonomous community of the Republic of Poljica during the Middle Ages and its unique social arrangement, which is said to have served as an inspiration for Thomas Moore's — 'Utopia'. Just a short drive will take you inland and bring you back in time to show you what life was once like.

MOONSCREEN CINEMA

Apply gently under the stars

— MONDAYS (BUT NOT ALL MONDAYS), 9:15 PM

When the sun sets and you find yourself still gravitating towards the beach, just know that many summer nights in Omiš are reserved for your special date with Hollywood stars under the stars — our movie screen will be waiting for you on most Monday nights, starting June 27th, right at the central city beach! No need to book your seat, just join us at the beach and don't forget to bring popcorn! All the movies are provided in the English language.
